Our Oct. meeting to be held Wed. 18<sup>th</sup> October. at Long St.. A busy night is in store, with our sarcochilus night featured. Entry at 7.30 pm at rear door. Many plants at our recent Sales Day indicate that there should be plenty sarcochilus out in October this year.

## PRESIDENT'S REPORT

October. 2022.

Hello, everyone. I'm sorry I wasn't available to be with you all on our recent Sales Day. I hear it was a success but could have been better if more of the public had attended. We did have it advertised at short notice on Jon Lamb's ABC program thanks to Alan Davies, and we did have some attendees from Facebook notification by Andrew Bird. Thank you all who participated to make it such a good day. Special mention must be made of Peter McCauley's efforts on the Trading Table the whole day..

It was good to see the attendance of Garry and Pauline Simcock after their recuperation from illness. We should have had the Championship winning Enfield Brass Band there to welcome them back. Best wishes, too, to Robert Gunn, who contracted Covid just prior to Sales day.

We were treated to some fine plants last meeting,, and with our next monthly meeting featuring our annual Sarcophilus special night there will be lots to see.. Kevin Western was to be our guest presenter, but is still recuperating. from a serious foot operation. We all wish you all the very best, Kevin.

The AGM is coming up in November, and we need some new members on Committee. Iris Davies is standing down, and we thank you for your efforts for our Society over many years, Iris. We will have nomination forms at our next meeting. .

Our very best wishes to you all, and we look forward to seeing many of you next meeting.

**Diana.Bird President**

## CHEERIOS.

We send our best regards to those on the sick list, and hope that as the weather improves, your health likewise will take a turn for the better.

## WEB SITE UPDATE.

Thanks to the persistent efforts of Helen Haltis, our Web site is now up and running again. Great work, Helen.!

## SPRING SHOW 2023

Our **SPRING SHOW** at Gilles plains Shopping Centre was put in Wed 13th<sup>t</sup> Sept at 5pm after shops closed, followed by judging, and open on available shopping hours .until 4pm Sat 16th Sept. Exhibitor numbers in Open Div were down although quality was good. Again this year 1<sup>st</sup> & 2<sup>nd</sup> Div growers took up the slack., We had more plants on the Sales tables from suppliers than in the displays., which is a sad state of affairs when our main aim is to present a quality show for the public.

Thank you to Bevan Bird, who, with help from a few others, loaded the fencing etc. from Garry Simcock's home and delivered and returned it all after the Show was finished.

**GRAND CHAMPION ORCHID, & CHAMPION FIRST DIV.** was the fine *Dendrobium* Tyabb 'Young Splendour' brought in by **Peter Haltis**

## RESERVE CHAMPION

**Michael & Oui's *Dendrobium* Oliver Jack 'Gerard'** was the diminutive but beautifully flowered **Reserve Champion and Champion Open Division** plant in the Open Div. display

**.CHAMPION SECOND DIV.**  
**ORCHID** was the Taiwanese  
*Pleione formosana* shown by **D**  
**Bird**

**CHAMPION SPECIMEN** was **S**  
**LAZNICKA'S** *Cym Sarah Jean 'Ice*  
*Cascade'*

**CHAMPION SEEDLING** was **P**  
**HALTIS'S** *Cym (Pepper Blaze X*  
*Street Tango)*

*Den striolatum*

Jane & Oui cast an approving eye  
over the 1s/2<sup>nd</sup> Div display.

All classes in Open Div. were won by  
two exhibitors. Congratulations, but  
where's the others?

## PLANT/Other Item SALES DAY

Klemzig Community Hall

Public Holiday Monday 2nd Oct

By the time we decided that the Sales Day should go ahead; it was too late to get the radio stations etc to schedule the information, but Alan Davies was able to get the ABC to advertise the day for us.. We also had facebook presence via Andrew Bird. We had few attendees from the public, but members with plants etc. made it an enjoyable day.. We were most pleased to see Garry and Pauline Simock back from recuperating interstate, and wish them continuing return to good health. And to Rob Gunn, too, who contracted Covid just before Sales Day.

Thank you to all who helped make the Sales day a success.

## PERPETUAL SHOW TROPHIES

Would holders of these trophies please have them cleaned, polished and returned by the AGM meeting 15<sup>th</sup> November.

## AGM NOMINATIONS

Please remember, nominations for Committee positions must be submitted by **4pm Friday 20<sup>th</sup> Oct.** In practical terms, return them at our next meeting, 18<sup>th</sup> October. We will have nomination forms

at the front table for you to fill in.

**We will have vacancies which is important to fill.**

*Bleilla striata, the very pale lavender form*

We hope to have many sarcocochilus like this one from Jane Hiiggs at our next meeting. We saw some nice ones at our recent Sales Day at Klemzig.
